# How to draw Santa Claus

Père-Noël
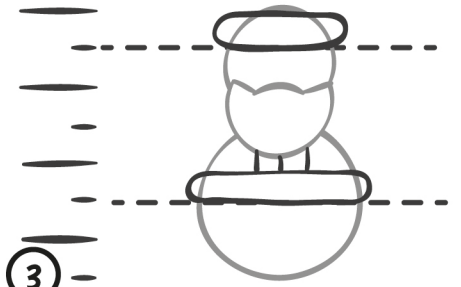

with **Pit & tiP**
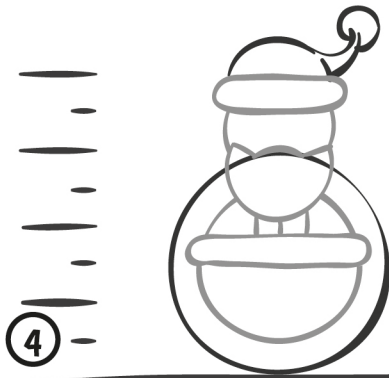

1 — Place your markers and draw two circles for the body
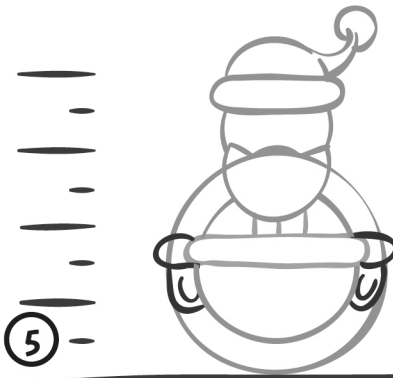

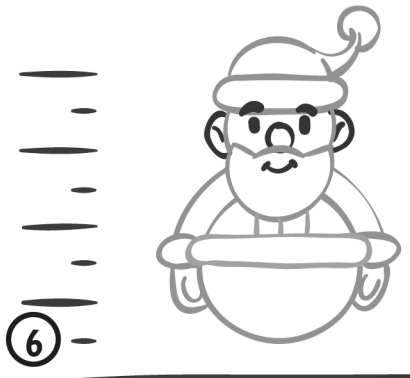

2 — Another round allows to draw the beard

**3** — Elongated shapes used to make fur

**4** — Add the beanie and place a round bigger than the belly
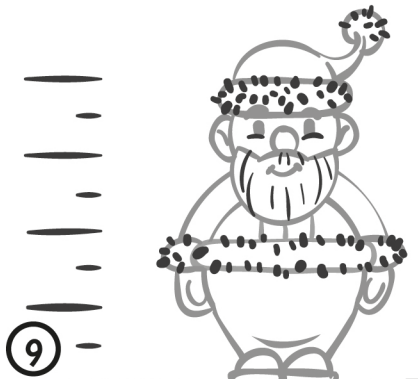

5 — You can now finish your arms with hands and wrists

6 — Add her face and his ears

7 — 2 strokes to place his legs

8 — Then his shoes for don't be too cold

9 — A few more details and your Santa Claus is finished!

If you want, change some shapes and give it another attitude!!
