

How to draw a christmas tree

Un sapin de noël (simple) with Pit & Tij

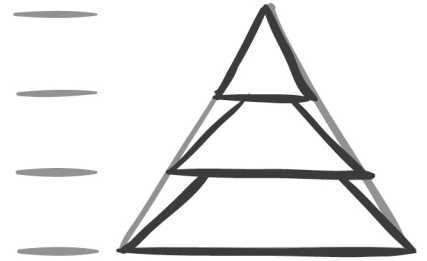

①

Place your markers

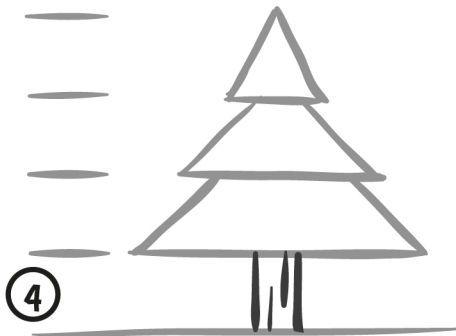

②

Draw a large triangle to help you

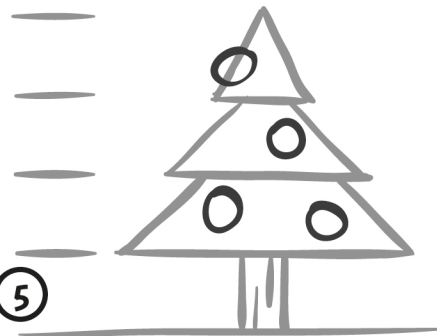

③

Then separate the in 3 parts

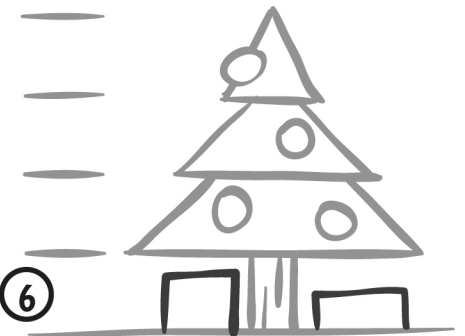

④

Draw his foot with a few lines

⑤

place a few balls

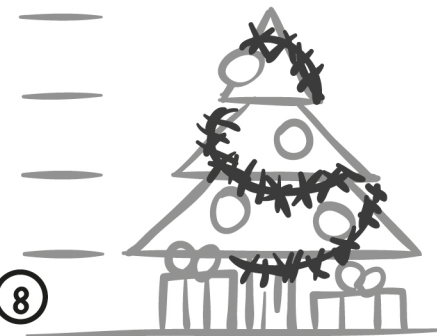

⑥

We can put gifts with squares and rectangles

⑦

Add ribbons to gifts

⑧

Place a garland (lines with lots of small lines)

⑨

Add a circle with lines for the star

Change some shapes to make your own christmas tree!!
